Edel, Luke and Strawberry - Ye're my inspiration, my motivation, ye fill my life with meaning. I look forward to all the fun stuff we're going to do together and always know that I'll be with you every step of the way.

Look at the world through their eyes now - will do all that I can to make sure they're happy - that's my purpose

Come what may - I'm always there

Ye give a whole new purpose to my life. It's all for you. Will cherish every moment and capture every milestone. Will work hard to make ye proud and so that ye never want for anything.

I will look back at the end of every day and know that I've been the best Dad I can be and will appreciate the sense of satisfaction that entails
